TRAPPED IN A WORLD HE NEVER MADE!

HOWARD THE DUCK

From the time of his hatching, he was ... different. A potentially brilliant scholar who dreaded the structured environment of school, he educated himself in the streets, taking whatever work was available, formulating his philosophy of self from what he learned of the world about him. And then the Cosmic Axis shifted... and that world changed. Suddenly, he was stranded in a universe he could not fathom. Without warning, he became a strange fowl in an even stranger land.
